

Installation & User Instructions:

Models: APPLEBY INSET

Once installed, the installer should take the appropriate steps

To ensure that the user understands how the appliance operates and

Should make the customer aware of the appliances basic service requirements.

Important electrical safety:

This appliance must never be installed above or in front of a fixed electric socket.

The electrical socket must be easily accessible to isolate the supply during maintenance and cleaning.

This appliance is supplied with a two meter power lead, which has a 13Amp moulded three pin plug to connect to a standard 230/240V plug socket.

This appliance must always be earthed. If in any doubt consult a suitably competent person.

Replacement plug: (Please note that it may invalidate your warranty if the moulded plug is removed)

This appliance must only be connected to a 230/240 Volts AC 50Hz supply. Before connecting the fire, check that the supply voltage is the same as stated on the fire. This appliance must only be used on a AC supply, fuse rating 13Amp.

The wires in the mains lead are coloured in accordance with a standard UK supply, these being:

GREEN/YELLOW –EARTH

BLUE –NEUTRAL

BROWN –LIVE

Replacing the Bulbs: (Please ensure that the appliance is disconnected from the mains supply before proceeding).

1. Disconnect the appliance from the mains supply.
2. Leave appliance and bulb for a short time to cool down.
3. Locate bolts to the left & right of the Coal bed.
4. Remove bolts and coal bed shell.
5. Remove and replace bulb with a 60watt Fire Glow bulb (Red).
6. Replace coal bed and fixing bolts.
7. Connect appliance to the mains, the appliance is now ready to be used.

**WARNING! REMOVE ANY
DECORATIVE FRETS OR
FRONTS BEFORE USING THE
HEATER FUNCTION!**

(FRET OR FRONT NOT PICTURED)

Guarantee:

Conditions of warranty:

If this appliance should prove to be defective due to faulty design, materials or workmanship within 24 months of purchase, the product will be repaired free of charge, subject to the following conditions:

The electric fire shall have been purchased and used solely within the UK and Ireland for domestic purposes and in accordance with the Users operating instructions.

It is the purchaser's responsibility to prove that the unit is under warranty, e.g. receipt of purchase.

All warranties will be invalidated if unauthorised repairs or modifications are made to the electric fire, or in case of accident, misuse or damage caused by improper installation, or to damage occurring during transit to or from the repairer and altered or missing serial numbers.

Any parts, which have been replaced under this warranty, shall become our property.

The company shall not be liable for any consequential loss or damage whatsoever, arising from or in connection with this electric fire.

This Warranty does not apply to Heating elements, Bulbs or fuses.

'No fault found', service calls and installation errors are not covered under the manufacturer's warranty and will result in a charge being made for the Call-Out by our appointed service engineer.

This warranty is in addition to and does not affect the purchaser's statutory rights of consumers.
